Our current Parish Pastoral Council completes its term of office in December. In this context we begin a Parish Discernment Process towards the formation of a new Council. We invite you, all parishioners and all those who join us in prayer here in Kilmacud, to engage in this process through prayerful reflection and contemplation of; the spiritual and pastoral needs of our parish, how they can be best served and by whom.

We thank the very many volunteers already active in the various parish groups. The life of a parish is all about building a welcoming faith community, so we are also very grateful to everyone who joins us here at Mass and in that joining helps to build a sense of God - a community - and carries it from here into daily life.

**Discernment / Information Meetings for all those who may have an interest in becoming a member of the new Parish Pastoral Council will be held on Wednesday 22nd November and Tuesday 28th November at 7.30pm in the Parish Office (you can attend either meeting).**

**In November, we remember**

Come join us for a morning of prayer, reflection and meditation as we remember our loved ones who have gone before us.

**Michael Screene MSC**

I am a missionary priest. My work has been in different places round the world. In my early days I was a teacher in Liverpool. I was Provincial of our Order a long time ago and that brought me round the world to all our missions. After that I worked in retreat work and adult education in faith in Galway. I am now helping young students as they begin their way to the priesthood.

**A FAITH READING GROUP**

We are very blessed in our country in our schools and the high level of education people now reach. We are the envy of much of the world. Sadly, our level of education in our faith does not keep up with the other subjects and sometimes our faith education is little above infant level. This leaves our faith open to ridicule and probably accounts for many leaving their faith. It is also a great impoverishment of our lives because our Christian faith has such a deep and beautiful knowledge in it. Faith is more than knowledge but if we don't know our faith well, we lose a lot.

Over the years, I have started groups who come together to study their faith. We pick a spiritual book, read a chapter each week (or each month) and come and share about it. Gradually, we find we have grown in knowing our faith and feel challenged in a new way to live it with people in a deeper Christian way.

I live in Mulvey Park, Dundrum. I propose to start a group of people to start on Wednesday, 15<sup>th</sup> November, 7.00 p.m. If interested, please let me know by email or telephone that you wish to come.

Meeting, Wednesday, 15<sup>th</sup> November, 7.00-8.15. At 56 Mulvey Park, Dundrum, Dublin D14, K223. Michael Screene M.S.C. Email: [mscreene1@gmail.com](mailto:mscreene1@gmail.com). Tel. 087 6833195
