Liturgy of the Word Service with the distribution of Holy Communion

We know from the Acts of the Apostles that after Jesus had left the earth his followers assembled to remember him and reflect on what he had said in order to begin their mission of proclaiming the good news. From Acts we hear:

And all those who had believed were together and had all things in common; and they began selling their property and possessions and were sharing them with all, as anyone might have need. Day by day continuing with one mind in the temple, and breaking bread from house to house, they were taking their meals together with gladness and sincerity of heart, praising God and having favor with all the people. And the Lord was adding to their number day by day those who were being saved.

The simplicity of that beginning reminds us how far in one sense we have distanced ourselves from what was anticipated by Jesus.

Today we need to return to the lay led liturgies of the first church. I admit that in this case it is because of need but that does not diminish the importance of lay led liturgies. As I have said in previous newsletters with the reduction of the priests and the age of some of our priests **that from next week each Thursday** at 10am there will be a Liturgy of the Word Service with the distribution of Holy Communion led by volunteer parishioners. There will be no funeral on Thursday's. For those who prefer Mass there is 10am Mass in Mount Merrion. I wish to thank those who have volunteered and encourage those who can to support them and the community.

Fr. Tony

At all Masses next weekend there will be the annual collection for the Pope and Pontifical Charities. It will replace the usual Share Collection.
