**Thank You from Trócaire**

Trócaire have written to thank parishioners very much for your most generous donation of €1,943.06 during the recent Lenten campaign. This money will be used in Honduras where there have been life-threatening floods. It will help with Education & Evacuating Training, maintaining boats for use during emergencies and survival kits to keep people nourished and sheltered until the storm or hurricanes subside.

**SUNDAY INTRODUCTIONS**

**First Reading Zechariah 9:9-10**  
Our first reading should conjure up a memory, an image of Jesus. As the same time, it gives us an insight into God's project of gentle, even vulnerable love.

**Second reading Romans 8:9, 11-13**  
These few brief sentences take us to the heart of Christian experience and believing, that is, the Spirit dwelling within. As always, the gift has consequences for how we live.

**Gospel Matthew 11:25-30**  
Our Gospel today is good news at almost any time. Who doesn't need the support and guidance of the saviour? It may help to name for myself whatever is burdening me at the present moment.

**Interested in Spirituality?**

The World Meeting of the Families 2018 will attract thousands of Irish and International pilgrims. Organising it and seeing it through will only be possible with the help of generous volunteers who will put their love and talents to service.

In 2012, for the 50th International Eucharistic Congress, approximately 2,000 volunteers gave their time, abilities and service to organise this event in various roles, such as stewards, welcoming and information teams, photographers, bloggers, media support, logistics, programming support, among many roles. The volunteers were amazing and loved the experience of being part of the event from the inside.

We are seeking several thousand volunteers; we hope WMOF2018 will appeal to many to help!

We would like to say a big thank you to everyone who expressed an interest through our website in volunteering and signed up for our newsletters and to all of those who contacted us. Everyone looking to volunteer must now officially apply to become a WMOF2018 volunteer through our online application link. <http://www.worldmeeting2018.ie/volunteer/>

Volunteering is of enormous value to society. It helps people share their skills and learn new ones, while also contributing to society overall. There are many other reasons to volunteer for WMOF2018; gaining experience, social interaction, and making new friends or simply helping to create this amazing and once in a lifetime event.

Volunteer wanted to teach / work with adults that have an intellectual disability. Help needed with basic reading and writing skills - Stillorgan Area.

If interested please phone Irene on 087 0682040 for further information.

The next meeting of the Active Retirement will take place on Monday 10<sup>th</sup> July at 2.30 p.m. in the Parish Centre. Members only.

Many thanks to all who contributed to the Peters Pence Collection last weekend. The amount raised was €3,005.
