**SUNDAY INTRODUCTIONS**

**First reading Amos 7: 12-15**

First reading Amos 7:12-15 Two figures clash in this story. One represents a powerful religious institution and the other is called by God to bear his word. The reaction of Amos is full of courage.

**Second reading 2 Ephesians 1: 3 -14**

Our next reading is really not a reading but a prayer, a very poetic prayer. The prayer tells the story of all God has done for us in Jesus...as a result, we too are portrayed in the prayer!

**Gospel Mark 6: 7-13**

As Jesus shares his vocation with the Twelve, why does he give such surprisingly detailed instructions about what to bring and what to wear? Could it be that the followers (and their leaders!) are meant to resemble the master?

**WWYC**

Thank you to everyone who is supporting Fr Tony and all those who are walking with him from Letterkenny to Ballydehob

**World Meeting of Families Themes - Week 2 - "The role of technology in the family"**

Pope Francis has a keen interest in technology, commenting regularly on social media. On the Pope joining Instagram, Mark Zuckerberg welcomed him, commenting: "No matter what faith you practice, we can all be inspired by Pope Francis's humility and compassion. I'm looking forward to following the Pope - and watching him continue sharing his message of mercy, equality and justice with the world". In *Amoris Laetitia*, Pope Francis explained that "In our own day, dominated by stress and rapid technological advances, one of the most important tasks of families is to provide an education in hope".

*What role does technology play in your family life?*
